ALBUMS

APRIL 2025

INTRODUCTION TO ALBUMS

At C4Is, we're dedicated to crafting exceptional albums that offer variety and personalisation, from the covers to the page materials.

Our commitment to quality ensures that we meticulously handcraft every album to deliver unmatched excellence from start to finish.

Explore our range, from charming mini books to luxurious 15" x 12" albums.

Design your album using your own software, or take advantage of our user-friendly drag-and-drop online design service.

We take pride in helping photographers create albums for every milestone, including weddings, portraits, newborn sessions, and boudoir sessions. Let us help you turn your images into lifelong treasures for your customers.

Mark Stephens  CEO C4Is Photo Imaging.

PHOTO COVER

Make your album unmistakably yours with a bespoke photo wrap cover that spans the front, back, and spine. Choose one striking image or curate a collage—either way, it's your vision in full view. Handcrafted with care and available in three elegant finishes, this album blends personal expression with enduring quality.

Printed on professional photo paper, your images remain rich and vibrant for years. With various sizes, formats, and page weights, they are designed to suit any occasion exactly how you and your clients remember it.

Your Image. Your Story. Front to Back.

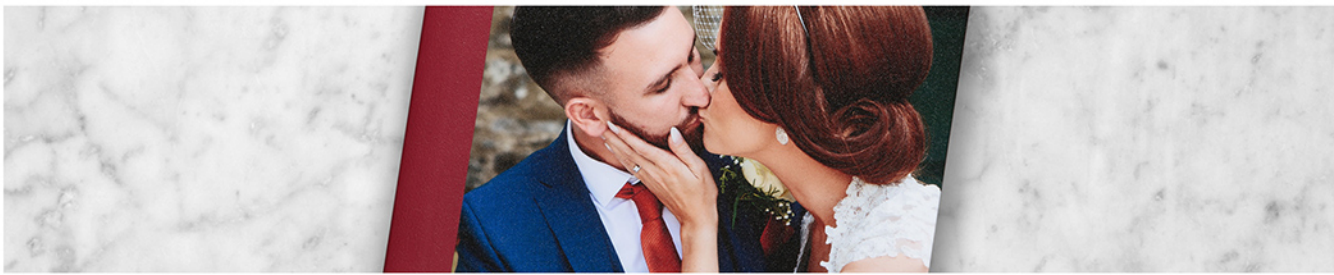

MATERIAL COVER

This handcrafted album brings a touch of timeless charm to your clients most meaningful moments. Choose from a range of rich materials and formats to create a keepsake that feels as personal as the story it tells. Add names, dates, or a message to the cover for a finishing touch that's truly your own.

Inside, your images are printed on professional photographic paper—designed to last and impress with every turn. With multiple sizes, layouts, and page weights available, it's easy to create an album that fits your vision and captures the heart of every memory.

Crafted to Hold Memories That Matter.

SPLIT COVER

The Split Cover Album blends timeless style with the full impact of your photography. A photo front pairs seamlessly with a textured spine and back, creating a bold, sophisticated look. Choose from a range of formats, paper types, and page weights to suit your vision—whether it's sleek and minimal or rich and dramatic.

Every page is printed on professional-grade photo paper to ensure sharp detail and vivid colour. This album transforms personal moments into lasting heirlooms filled with character and style, offering layout options from square to upright and view.

Modern Meets Classic in One Stunning Album.

DUO COVER

The Duo Cover transforms a classic album into a statement piece. Contrasting or complementary coloured panels envelop the front and back, wrapping your memories in a design as personal as the moments within. Add names, dates, or a message to make it unmistakably yours. Choose from a variety of sizes and formats, all printed on rich, professional-grade photographic paper.

Whether you favour single or double-weight pages, every detail feels deliberate. Upload your own design or utilise our straightforward online design tool. For an elegant touch, include a signature strip, a protective box, or a cotton bag—thoughtful details that show this is something worth treasuring.

A Bold Cover for Your Most Personal Stories.

HARMONY COVER

The Harmony Cover combines luxurious fabrics with striking cover imagery for a sleek, handcrafted album that feels as personal as the moments within. Every detail is crafted with flexibility in mind—select your size, fabric, layout, and image finish to create a look that's uniquely yours.

Printed on professional photographic paper, Harmony albums provide stunning colour and enduring durability. Whether you're showcasing a wedding, newborn, or your finest portraiture shoot, this modern design offers a timeless way to narrate your story, your way.

Handcrafted Style, Made Just for Your Story.

ACRYLIC COVER

Capture attention with an album that feels as good as it looks. The Acrylic Cover Album presents your favourite image beneath high-gloss acrylic, adding vivid depth and clarity that draws the eye. Each piece is hand-finished with polished edges and your choice of modern, tactile acrylic designs.

Create a sophisticated contrast with customisable materials. Inside, double-weight photographic pages deliver true-to-life colour and lasting quality. Whether square, upright, or view, every format is designed to showcase your story with unmistakable style.

Striking Depth. Sleek Finish. Unforgettable Impact.

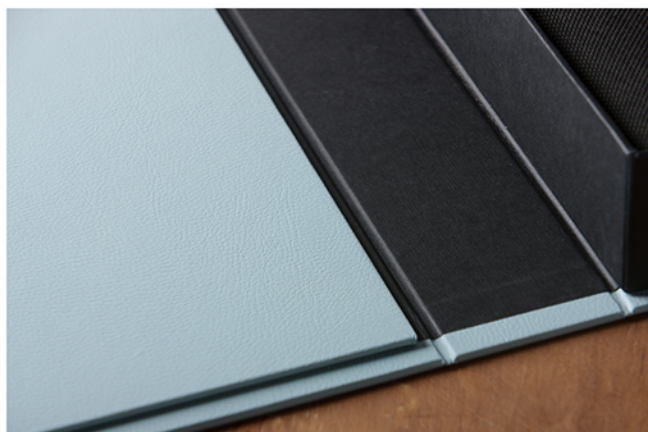

IMPRESSION ALBUM

The Impression Album is a masterclass in understated luxury. Wrapped in your choice of four classic materials and personalised with your initials, it arrives in a handcrafted box to match. Open it to reveal silk-lined boards and thick, double-weight pages printed on professional photographic paper—designed to deliver exceptional colour and detail.

Cushioned lettering adds a tactile elegance, while a signed certificate of authenticity underscores the craftsmanship. Intended for those who value presentation as much as preservation, this album transforms cherished memories into timeless treasures.

Crafted to Impress, Designed to Last.

SIGNATURE ALBUM

The Signature Album turns pre-wedding shoots into keepsakes. Thoughtfully designed with blank spreads for guest messages, it becomes a living part of your client's celebration, holding not just photos, but heartfelt words from the people who matter most.

Printed on professional photographic paper for rich colour and long-lasting beauty, it's available in 8" and 10" square formats with sleek, single-weight pages. Choose the paper type that best suits your style and create a book that captures the emotion and the meaning of their day.

Your Images. Their Words. One Unforgettable Keepsake.

SILHOUETTE COVER

Celebrate baby's first days with an album as charming as they are. Designed specifically for newborns, it features playful, on-trend cover options with raised textures like baby feet and tiny trains, adding a gentle, sensory touch you can feel. Inside, your images shine on professional photographic paper in rich, true-to-life colour.

The 10" x 10" format and clean, single-weight pages provide ample space for every moment. With options for six, ten, or fifteen spreads, it's easy to showcase your client's favourite memories in a personal and timeless way.

Welcome Your Little One in Style.

DESIGN READY ALBUMS

Design Ready Albums allow you to spend less time creating and more time shooting. With stylish pre-made layouts and covers, building a polished, professional album in minutes is effortless using a simple drag-and-drop tool.

Choose from modern or classic styles in three luxurious finishes, all printed on vibrant, long-lasting photographic paper. Each album is available in various sizes and formats and feature sleek single-weight pages to suit any narrative. Ideal for photographers wishing to impress clients without the design hassle.

Designed for Speed. Styled for Impact.

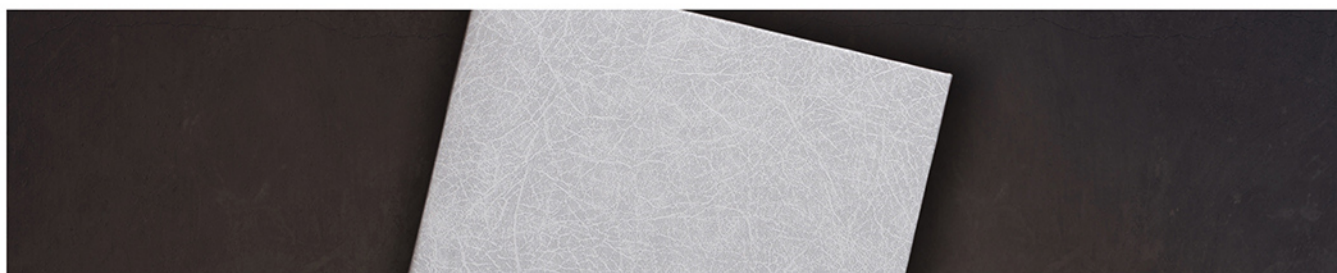

MINI 6"×4" PHOTO COVER

Present your images in a handcrafted album that's as personal as the memories it holds. The Mini 6×4 Photo Cover allows your image to wrap edge to edge across the cover—front, back, and spine—ensuring every detail is uniquely yours.

This compact album is designed with your clients in mind, offering six, ten, or fifteen professionally printed spreads. Lightweight and easy to carry, it's perfect for parents and families to share their favourite moments wherever they go. Choose the paper, set the style, and deliver a product that reflects your photography at its best.

Their Favourite Moments, Beautifully Presented.

MINI 6"×4" MATERIAL COVER

Give your clients a way to keep their most treasured moments close. This beautifully handcrafted 6×4 album is compact, eye-catching, and perfect for reliving memories on the move. With a choice of 6, 10, or 15 spreads, it's an ideal showcase for highlights, mini sessions, or special occasions.

Each album is wrapped in a tactile material cover and printed on true professional photographic paper, delivering vibrant colours and exceptional durability. Multiple paper options let you match the finish to your client's style—making this mini album a thoughtful gift, a keepsake that travels well, or the perfect add-on to a larger package.

Big Memories, Pocket-Sized Perfection.

SIGNATURE STRIP

Add a unique, personal touch with the Signature Strip—your logo or message printed on premium photographic paper to complement your album's finish. With a clean white background, your design stands out beautifully, reinforcing your brand or sentiment with subtle confidence.

Whether you're a photographer gifting a client or a studio demonstrating professionalism, this subtle detail speaks volumes. Sized to fit 15", 12", and 10" albums and crafted with precision, the Signature Strip adds polish and personality to every project.

Make Your Mark with Every Album.

COVER SAMPLES

Cover Samples make it easy to showcase your options without producing a full album. Each one features a genuine album cover wrapped around a sturdy MDF block—lightweight, compact, and convincing. They give your clients something tangible to hold, helping them feel confident in their design choices.

Ideal for studio displays or on-the-go consultations, these samples allow your craftsmanship to shine. If you're seeking a smart, streamlined way to present premium options, Cover Samples accomplish the task beautifully—without the bulk or expense of a full album.

Preview your Album options without the cost of full production.

MATERIAL SAMPLES

Choosing the right album finish should feel effortless. Our material samples provide photographers and their clients with a hands-on experience of all 30 cover materials—each labelled with its name, texture, and compatible text options. Stylishly presented and thoughtfully labelled, these samples also showcase paper types, page weights, inserts, and finish options.

It's a straightforward, tactile way to compare, explore, and confidently select the look that best conveys your client's story.

Feel the Difference Before You Decide.
