'Giclée Box Set'

DESK & PRESENTATION

APRIL 2025

INTRODUCTION TO DESK & PRESENTATION

At C4Is Photo Imaging, we recognise that the needs of your photography business extend beyond traditional offerings such as albums, frames, and wall products. There are times when your clients seek something different—something uniquely tailored to preserve and showcase their most treasured memories in a professionally finished format.

Our range of presentation products includes options that cater to all tastes and needs, ensuring that there is something perfect for every client. Whether it's a sleek modern finish that appeals to contemporary tastes or a more traditional elegant style that resonates with classic aesthetics, our products are designed to impress.

By offering these professional display options, we aim to help you boost your sales and better serve your clients. Let C4Is Photo Imaging be your partner in taking your photography business to new heights with products that provide the finishing touch - products that are not just seen but remembered.

BIRCH STAND

Transform cherished moments into timeless desktop art with the Birch Stand. This 6" x 6" foam-mounted photo display combines crisp, professional-quality prints with a handcrafted birch base for a clean and natural appearance.

Choose a lustre or matt finish to match your style. Compact enough for any shelf or desk, it adds warmth without clutter—ideal for personal keepsakes or thoughtful gifts. Each piece arrives in a modern gift box, making it a perfect way to share memories with clients, friends, or family. Simple, stylish, and made to be seen.

Natural Warmth, Beautifully Displayed.

EDGE MINI 6"×6"

The Edge Mini 6×6 Frame is where quiet elegance meets everyday memory-making. Handcrafted with rich texture and available in black, grey, or white, it fits seamlessly into any space, from bookshelves to desktops. Whether you prefer the soft depth of Matt or the vibrant detail of Lustre, your print receives the showcase it deserves.

Compact yet striking, it is the perfect way to keep a meaningful moment close. Packaged in a refined presentation box, it is more than just a frame—it is a beautiful reminder of what matters most.

Small Frame. Big Meaning.

FOLIOS

Designed with photographers in mind, these folios add a refined touch to image presentation. Choose from double or triple layouts in compact 5"x 5" or classic 8"x 8" sizes. With a selection of lustre, gloss, or velvet finishes and a wide range of premium cover materials, each folio becomes uniquely your style.

Flat or padded image panels allow your work to shine with texture and depth. Thoughtfully paired with a handmade cotton bag, they offer beauty and practicality. Ideal for client keepsakes or gifts, folios transform special images into tangible treasures worth holding onto.

Showcase Moments with Timeless Grace.

GICLÉE BOX SET

Make a lasting impression with Giclée Box Sets, which are crafted for photographers who value presentation as much as the image itself. Each handmade box opens to reveal fine art prints framed in acid-free board mounts, preserving every detail and tone. Choose from classic White or Black finishes to complement your style.

A thank-you strip adds a personal touch, while a complimentary 12"x 10" frame helps your client showcase their favourite piece. Whether it stands alone or enhances a package, this set transforms your photographs into keepsakes worth treasuring.

Timeless Presentation That Speaks for Your Work.

PRINT & USB BOX

Showcase your work with a box that does more than simply store—it speaks. These Print and USB Boxes are designed for beauty and functionality, accommodating up to 190 prints or 120, along with a 16GB USB. Whether you present wedding moments, family portraits, or client portfolios, each box adds elegance and protection.

Choose a Lustre, Gloss, or Velvet finish, and customise the exterior to reflect your style. With premium materials and careful design, this is a presentation with purpose, crafted for photographers who recognise that how you share your work is just as important as what's inside.

Where Memories Meet Craftsmanship.

USB CASE

Showcase your work with the attention it deserves. Our handcrafted USB cases include a 16GB memory stick and are available with a full-image cover in lustre, gloss, or velvet or wrapped in a selection from 30 beautiful cover materials.

Whether you're handing over wedding photos, a polished portfolio, or digital artwork, these cases add a tactile, personal touch that digital delivery alone cannot match. They're a simple way to protect your files while reflecting the artistry behind them—beautiful, durable, and made to impress.

Make Every Delivery Feel Like a Gift.
