## WALL PRODUCTS

APRIL 2025

# INTRODUCTION TO WALL PRODUCTS

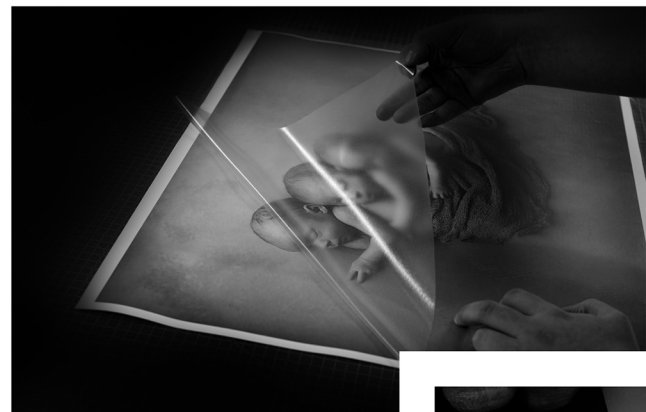

At C4I's, we understand that your customers' images should not be stored away but displayed with pride. That's why we offer an exclusive range of wall products designed specifically for professional photographers who wish to provide their clients with a touch of uniqueness not found on the high street.

Imagine transforming your customers' favourite shots into magical pieces of art that will take pride of place on any wall. From the classic charm of Traditional Canvas Wraps to the sleek sophistication of Modern Tray Blocks, our products are designed to maximise the beauty of your photography.

Each item in our extensive lineup is meticulously handcrafted to ensure the finest quality. These are not simply products; they're a way for you and your clients to showcase and enjoy your beautiful images that will capture the attention of friends and family for future generations.

Let us help you turn great shots into grand statements with Wall Products from C4I's – where your creativity and our craftsmanship give your images the finishing touch.

Mark Stephens  CEO C4I's Photo Imaging.

## BLACK & WHITE BLOCKS

Black & White Blocks transform meaningful moments into gallery-worthy displays. Printed on premium photo paper with your choice of lustre or matte finish, each image is mounted on a sturdy  $\frac{3}{4}$ " MDF block and edged in crisp black or white foil. The result? A clean, modern appearance that enhances any interior.

With sizes ranging from 5"x 4" to 60"x 40"—plus custom options—these versatile pieces accommodate everything from intimate portraits to bold statement prints. Built to endure and designed to impress, they provide a refined way to showcase the images that matter most to your clients.

Timeless Displays for Modern Living.

## BIRCH BLOCK

The Birch Block brings a grounded, authentic feel to any room, seamlessly blending your imagery with the subtle charm of natural wood. Each photo is sealed with a matt finish to enhance longevity and minimise reflection and is mounted on a thick, durable 18mm birch plywood block.

Hand-sanded edges provide a soft, rustic touch to ensure the focus remains where it belongs—on your work. Offered in sizes that suit every space, from small to stand out, they offer a tactile, design-conscious way to showcase your images in homes, studios, or any space that values craft and connection.

Natural Beauty, Framed in Wood.

## BIRCH CIRCLE

The Birch Circle transforms your client's favourite images into warm, tactile wall art. Printed with a matt finish and seamlessly mounted on thick birch plywood, each circle is hand-sanded for a smooth edge with just the right hint of character.

Its natural wood grain and clean silhouette provide a minimalist look with a rustic twist —perfect for cosy homes, creative studios, or boutique spaces. Built-in hanging hardware ensures easy installation. Available in sizes from 8" to 40", it's designed to fit any wall, whether showcased alone or in a thoughtful arrangement.

Rustic Charm Meets Modern Simplicity.

## BIRCH OCTAGON

Birch Octagons transform your favourite image into a striking statement piece. They are printed with care, sealed for durability, and mounted on beautifully grained birch plywood. The clean octagonal shape introduces a fresh, geometric feel, while hand-sanded edges add a hint of rustic charm.

With built-in hanging hardware, they're as easy to display as they are to love. Available in various sizes, these pieces provide a natural, modern way to bring personality and warmth to any wall.

Crafted for Impact. Designed for Ease. Loved for a Lifetime.

## BLOCK COLLECTIONS

Block Collections allow your images to resonate more profoundly. Each curated set showcases ten distinct designs printed on enduring wood blocks—ready for display and built to last. Select from elegant black, fresh white, or natural birch finishes to complement any aesthetic.

More than just prints, these collections encourage your clients to gather and present multiple moments in a cohesive, striking display. Perfect for photographers who aim to offer something beyond the traditional frame, Block Collections make your work feel personal, premium, and designed to be admired.

## FLOATING CANVAS

Give your images the spotlight they deserve with the Floating Canvas. Printed on thick, premium canvas and sealed with a lustrous finish, each piece accentuates bold colour and fine detail while remaining easy to care for. The standout design features a subtle wooden frame—whitewash or off-black—that creates the illusion of your image floating within.

The result is striking depth and a clean, contemporary look that fits seamlessly into any space. From living rooms to studios, this gallery-worthy piece transforms your photography into a refined visual statement.

A Gallery Finish for Your Finest Work.

## TRAY BLOCK

The Tray Block turns your images into timeless art. Printed on professional-grade paper with a choice of finishes, each print is mounted on a solid  $\frac{3}{4}$ " MDF block with black or white edging. A clean, minimalist tray frame—available in black or white—adds depth and refinement, making it perfect for a cosy corner at home or a standout gallery display.

With sizes ranging from 16"x 12" to 60"x 40" and custom options available, it's designed to fit your vision. Clean lines, durable materials, and an understated elegance ensure your work stands out with enduring style.

Framed to Impress, Built to Last.
